The Fall River Century staff has compared our usual dinner offering to those of other rides and feels that a change in our dinner menu would add to the overall quality of our event. The above menu is a sample and is taken from another event that a few of us went to. We were impressed with this meal, but are open to suggestions.

Note that the kitchen in Ingram Hall at the Inter-Mountain Fairgrounds will be provided for you at no cost. We are requesting that you or your organization be properly certified to serve food to the public.

Please drop your bids off at Fall River Arts and Trophies (Attn: Bill Johnson) no later than May 30 or email them to billofsail@frontiernet.net.

Thank you for taking the time to submit your bid!
